

# Avoid The "Haulidays"

*trash less, spend less, enjoy more*

## Tips for Waste-Free Giving

- Give an "eventful" gift to a play, movie, concert, or skating rink
- Handy? Give something handmade & useful like a bird feeder or crocheted scarf
- Print & frame a special photo
- For the busy person, give a certificate for a massage, a house-cleaner, or a baby sitter

## And for a priceless gift with no price tag . . . \*

- Give a gift of your time and talents; paint a room, mow a lawn, visit a home-bound friend
